LAURA MELONI (ITALY)

LET ME TELL YOU MY STORY.....

Well,
how started my adventure? I was at my home, living my boring life when the colleague of my roommate said to me: "Oh, I will go to Spain for two weeks!". Then I asked her: "...Why?". She answered that was an "Erasmus+" Youth exchange. At this moment my life changed! I wanted to try... I wanted something, which gives me energy and positive vibes. So, 7 months after:
Welcome in Bulgaria!!!!

My first day...I still remember the mix of emotions... I was happy for the new adventure but also scared and full of doubts... To take the plane was easy, but then? How I will communicate with my bad English? And if I will feel alone and sad? If I will not like the association? Well, maybe we don't know how strong we are until we need to be!
It has been months full of discoveries; I had to analyze myself several times to understand my weaknesses and strengths; I discovered a new world full of opportunities, which previously were covered by insecurities.

Are you wondering if it will be difficult? Well, the answer is **yes...** But after all you have to climb the mountain that makes you afraid to look at the view that you desire. So do it! Believe in your self... I am sure that in the end you will feel satisfied!
